to participate in a survey to learn which schools in the
Cleveland Metropolitan School District were served
by arts organizations during one academic year.

76 responses (85%) of 90 invited to participate

17 Organizations checked
"We served No CMSD Schools in 2016-2017"

to serving CMSD Schools in the future.

Of the 17 organizations, 5 have
no plans* to do so in the future.

* Some CAEC members provide arts education programs in out of school time settings, or in
non-CMSD Schools and other communities.

"Yes, we are willing and able to serve CMSD schools, but have not had the
opportunity to do so. Instead, we have been teaching in schools in
other school districts outside of CMSD."

"Students come to our organization for programming. We have kids who go to a CMSD school that are in our program but we do not partner with any school specifically."

"Beginning in September 2018, we greatly expanded our outreach to CMSD schools and currently are in 7 additional schools. I hope you will ask about this time period soon."
